- V. Roll Call.
- VI. Reading of the Minutes.
- VII. Report of Committee on Standing Rules.
- VIII. Communications.
- IX. Reports of Officers.
- X. Unfinished Business.
- XI. New Business.
- XII. Reports of Standing Committees.
- XIII. Adjournment.

3. OFFICIAL BOARD—ORDER OF BUSINESS.

In order to facilitate the transaction of business and provide for a rapid decision of questions requiring the vote of the Official Board of this Association, the following shall be the order of proceeding: Whenever any member of the Board shall desire to submit any matter for their action, he shall reduce the same to writing, in the form of a motion, and mail a copy thereof, upon a separate sheet of paper, to each member of the Board. Any comments or observations he may desire to make thereon must be upon a different sheet. Upon the reception of such motion each member shall write upon the bottom or back thereof his decision for or against the same, or any correction or amendment thereof he may wish to make, and forward the same by return mail to the President, who shall, in case any amendment be offered, forthwith mail, or cause to be mailed, a copy of the motion as amended to each member of the Board, who shall return the same by return mail, with his vote for or against the same, or the expression of his preference for the original motion. The President shall, upon receiving the the votes of the other members, certify to the Secretary the results, accompanying the certificates with the original votes. The Secretary shall file the same and record the vote, notifying the other members of the Board of the result.

4. LIBRARIAN—DUTIES.

The Librarian shall keep a list of all works, etc., in his possession, and a record of the same. He shall collect, in advance, the necessary postage from every member desiring to take any periodical, book, or publication from the library. All publications shall be returned, post-paid, to the Librarian within ten days after the receipt of the same, and members who shall violate this rule shall not be entitled to have any other periodical, book, or publication issued to them until they shall have satisfied the Librarian, or Association, concerning their delinquency. The surplus of receipts over expenses shall be paid to the Treasurer at the close of each fiscal year or term of office.

5. SUPERINTENDENT OF EXCHANGES—DUTIES.

This officer shall conduct the exchange business of the Association, under the following rules and regulations:

(1) Sheets for adhesive stamps and cut envelopes, and covers for entire envelopes and postal cards will be furnished by the

Superintendent of Exchanges at five cents each, and only these sheets and covers will be accepted by the Superintendent.

(2) Members must remove the paper from the back of stamps and attach them to the sheets with gummed paper hinges so that they may be examined for watermarks, etc., and must mark the price of each stamp upon the proper space, legibly, in ink. They may also note descriptions of stamps, such as watermarks, etc., if necessary.

(3) The envelopes for entire specimens must not contain more than twenty pieces each.

(4) Members having prepared their sheets and covers for circulation, will mail or express them, post-paid, to the Superintendent, who will make them into books and packages at his discretion, placing the sheets of each member in separate books by themselves.

Sheet and book numbers are for the Superintendent's use, and will be placed thereon by him.

The spaces provided on the sheets for the owner's name, name of the Branch to which he belongs, and the value of the sheet, and on the cover, for the owner's name, list of contents, and price of each, must be properly filled out by the owner. A number in pencil can be placed on each piece to correspond with the list number on the outside of the cover.

(5) The member removing a stamp from a sheet or a piece from a cover, must place his name plainly in the square from which the stamp is taken, or in the space provided therefor on the cover, as well as in the proper place, with the total amount taken therefrom on the back of the sheet and on the total account sheet attached at the end of each book or postage. He shall also immediately notify the Branch Manager or Superintendent of the amount taken from each book or package. If a name or amount is missing, it shall be the duty of the next member in turn to notify the previous one, and note the error on the sheet. Failure to note such an error will make the last party responsible.

(6) Members having no duplicates in the exchange, but wishing to receive books and purchase for cash, can do so by applying to the Superintendent, stating whether Postage Stamps, Revenues, Entire Envelopes, or Postal Cards, are wanted. References or a deposit must be furnished with the application when required by the Superintendent.

(7) Branches are allowed to retain exchange sheets and covers two days for each member participating in the exchange, and three days to make up the account.

Members of Branches must decide among themselves the order of preference in choosing from exchanges. A fine of ten cents a day may be imposed for each day the exchanges are kept over the allotted time.

(8) Individual members who may so request, are entitled to receive exchanges in the same manner and under the same conditions as a branch, but shall hold no sheet or cover for more than two days after receipt.

(9) The amount and value of sheets and covers to be sent at any time to any one individual member not connected with a Branch and participating in the exchange, shall not exceed the estimated value which the Superintendent may put upon the sheets and covers received from such member, unless references be furnished or the Superintendent be satisfied of the responsibility of the member thus participating.

(10) The Superintendent shall announce the circuit routes of Branches in the Official Journal, which must be in rotation strictly adhered to and completed before sheets and covers can be returned to the Superintendent. At the time of forwarding exchanges to the next Branch or member on the route the sender must notify the Superintendent by postal card, giving the date of sending and the amount taken. Each circuit route will be so arranged that the exchanges will be returned to the Superintendent in time to adjust the quarterly accounts, but the Superintendent will see that each exchange shall reach at least three Branches or twelve individual members before being returned to the owner, and with this view contrive to place exchange sheets and covers upon new circuit routes until in his judgment their further circulation would be unadvisable. Sheets and covers once returned by the Superintendent to their owners must not be refilled, and will not be received and placed on the circuit again.

(11) No sheet or cover shall be put into circulation in any circuit, unless, in the opinion of the Superintendent, the value of such sheet or cover be at least two dollars.

(12) Branches and individual members are responsible for the value of all exchanges sent them, from the time of receipt to the time of forwarding, and for any difference that may arise during that time. But the Association and not the member by whom or to whom an exchange is sent shall be responsible for the accidental loss or destruction of an exchange *in transitu* if, after investigation by the Trustees, it shall be ascertained to their satisfaction that the member was not at fault. Returns valued at more than ten dollars must be sent by registered letter or express, value declared, otherwise the sender will be held responsible therefor in case of loss.

(13) Each Branch or individual member must prepay all expenses in forwarding exchanges.

(14) The Manager of each Branch must furnish the Superintendent with a list of its officers and members, with the full post-office address of each.

(15) The Superintendent has first choice of exchanges, as well as his own sheets free.

(16) The Superintendent will keep an account with each Branch and individual member participating in the exchange, receiving and paying the balances of money received ; but in dealing with Branches the Superintendent will draw balances as a whole for each Branch, dealing only with its Manager of Exchange, who must adjust the account with the members. The Manager will also gather the sheets of his Branch and send them together to the Superintendent.

(17) Statements of accounts will be rendered, when practicable, every quarter. Eight days are allowed after members or Branches receive their statement in which to settle balances due the Exchange Department. Balances due Branches or members will be remitted as soon as the account can be adjusted. The Superintendent shall deduct $7\frac{1}{2}$ per cent as an equivalent for office work and the labor employed by him to facilitate the affairs of his department. The Superintendent shall refuse the exchange to any member or Branch not settling accounts promptly when due, and shall report the delinquent to the Trustees at the expiration of thirty days.

(18) The Trustees shall decide upon all cases of misunderstanding that may arise in this department.

(19) The Superintendent of Exchanges shall give bonds to the Trustees in the sum of one hundred dollars.

(20) Any deficit in the expenses of the Exchange Department not covered by the sale of sheets and covers, shall be paid by the Superintendent out of the commission he receives on the sales.

(21) All regulations relating the Exchange Department not provided for in this By-Law, must receive the approval of the Board of Trustees before going into effect.

6. PURCHASING AGENTS—DUTIES.

The Purchasing Agent shall make arrangements to obtain, at as little expense to members as possible, unused specimens of all newly issued and current unused stamps, envelopes, post cards,

etc., and shall notify members from time to time in the Official Journal from what countries he is prepared to obtain specimens. He shall not furnish specimens from any country not so named by him, or any obsolete, uncurrent, or canceled specimens, or supply any member with more than five specimens of the same kind once supplied to the same member, or supply less than (\$1) one dollar's worth of stamps at one time. Every member desiring to avail himself of the opportunities of this department must deposit in advance with the Agent a sufficient amount to cover the costs of the purchases, including all postage and expenses as estimated by the Purchasing Agent, and in addition a commission of 10 per cent. on the amount to be charged by the Purchasing Agent, one-half of which he shall hand over to the Treasurer at the close of each fiscal year, or the close of his term of office.

The Purchasing Agent shall also arrange, as far as practicable, to obtain for such members as shall elect to deposit with him in advance the sum of (\$5) five dollars each for that purpose, one specimen, or, if desired, any number not to exceed five, of every *newly issued stamp*, envelope and post card issued, and to distribute the same as soon as received, until the amount of each deposit shall be exhausted. Each member contributing to this department may, at the time of making his deposit, specify from what countries he desires newly issued stamps, or may limit his request to stamps of not more than a certain value, and may renew or increase his deposit from time to time as the same is diminished. Stamps distributed in this manner shall be charged against the deposit at the same rate as before provided, including postage, expenses and commissions.

7. COUNTERFEIT DETECTORS—DUTIES.

The Counterfeit Detector shall, when called upon to do so, pronounce upon the genuineness, and, as far as he can, when asked, the value of the specimens sent him by members, charging therefor three cents for each specimen up to the number of fifty sent to him at one time, and two cents for every additional specimen. For making estimates of the value of collections, etc., he may make an agreement as to terms with the owner. Postage or expense of carriage to be in all cases defrayed by members.

The Counterfeit Detector shall pass upon the genuineness of all stamps, envelopes, post cards, etc., that may be sent the Superintendent of Exchanges, before such stamps, envelopes, post cards, etc., are put upon the exchange circuits.

All stamps, envelopes, post cards, etc., considered counterfeit or reprint (with the exception of reprints sold by the government

originally issuing them, and receivable for postage at the time of their sale), by the Superintendent or the Counterfeit Detector, shall be removed from the sheets and covers, and placed in separate envelopes, marked with the price or prices placed thereon, and the name of the owner, and shall not be circulated but returned by the Superintendent with the exchanges from which they were taken, and, on the square on the sheet or place provided on the cover, he shall stamp the words "Specimen Removed."

When a counterfeit is removed, the Counterfeit Detector shall stamp the word "Counterfeit" in indelible ink on the back of the specimen.

When a government reprint, receivable for postage at the time of its issue, is found on a sheet or on a cover, he shall stamp the word "*reprint*" below the square on the sheet or the place provided on the cover for the specimen.

8. TRUSTEES.

The Trustees, in addition to the duties required of them by this Consitution, shall keep a "black list" of all individuals known to have ever dealt in counterfeit stamps, or aided in their production; and it shall be their duty to give any information in their possession to any member of the Association who may ask for the same. The Trustees will keep a list of bad debtors for the same purpose. They shall charge members fifteen cents for each copy of said list, the amount to be paid in advance.

Prior to any general or special election it shall be the duty of the Trustees to call for nominations to the office or offices to be filled, and to announce the same at least thirty days prior to the closing of the polls.

No expense, except for postal and express charges, shall be incurred by any officer until the same is authorized by the Board of Trustees who shall audit all bills.

9. SUPERINTENDENT OF LITERARY EXCHANGE.

The Superintendent of Literary Exchange shall receive lists of such philatelic books and publications as may be desired by members of the Association. He shall also receive lists of such philatelic books and publications belonging to members as they may send him from time to time for sale at fixed prices, and he shall notify any member desiring such publications from whom it can be obtained.

Members making use of this department must defray all incidental expenses.

10. DUES.

The dues of all voting members shall be two (\$2) dollars per annum.

In case any member fails to settle his account within thirty days from the time when due, the Treasurer shall notify such delinquent member; and unless such dues are paid within thirty days thereafter, his name shall be stricken from the rolls. Any member whose name shall have been so stricken from the rolls, may, on the payment of all back dues, be reinstated at the discretion of the Secretary, who may, however, refer any case of doubt to the Trustees. All other applications for reinstatement shall be referred to the Trustees.
